**About Market Dynamics**

Market Dynamics UK LTD is an independent technical analysis house, specialising in the UK and European equity markets. Market Dynamics reports have been widely relied upon for many years by the market making and prop trading desks of the world's biggest investment banks who operate on the London Stock Exchange and European Bourses. Tried and tested methods, coupled with years of experience in the business have earned them a reputation for excellence and accuracy with their clients

**About Andrew McHattie**

Andrew is the only independent warrants analyst in the UK with more than 20 years of experience. Andrew has been writing and publishing the Warrants Alert newsletter since October 1989 and has written more than two million words on the subject. He has written three books including the best selling 'Investor's Guide to Warrants' and has appeared on CNBC and the BBC television programme 'Working Lunch' to speak about covered warrants. His expertise has been acknowledged in many publications over the years, including The FT, Daily Mail, and International Herald Tribune
